# WEBCRAFT

Rulebook

DESCRIPTION ABOUT THE GAME

Webcraft is where creativity, innovation, and efficiency come to life! In this exciting game, you'll build amazing web pages or sites using advanced AI tools.
From designing captivating themes to ensuring seamless functionality, it's all about crafting efficient, user-friendly and visually stunning web solutions.

The game consists of only 1 level, which is designed to challenge your creativity and test your technical expertise. Judged on creativity, functionality, and user experience, AI Develop offers not just competition, but also an opportunity to learn, experiment, and grow your skills. Whether you're a pro or just starting out, it's your chance to innovate and shine.
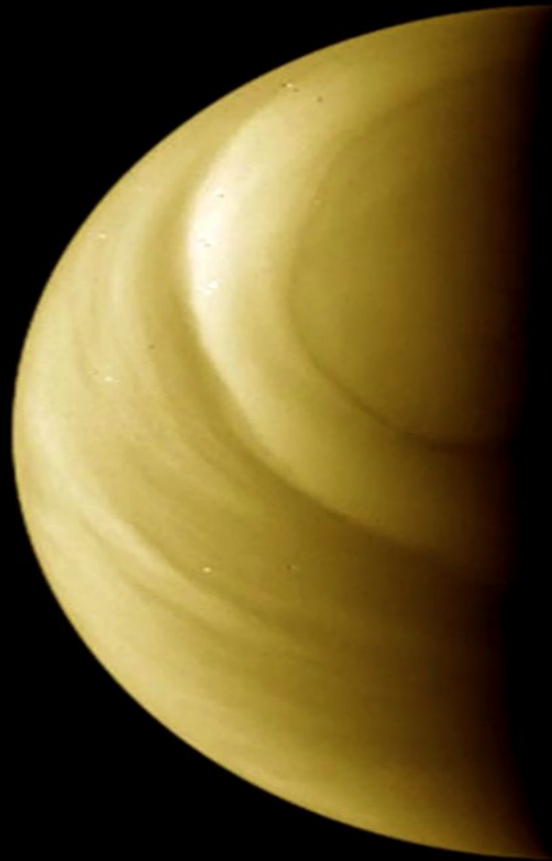

Ready to turn your ideas into reality? Let's get started!

Time Limit: 30mins
Evaluation: 5mins per team

- Teams have 30 minutes to create web pages or sites using advanced AI tools.
- Starts with an open theme challenge, with a surprise task midway to keep teams on edge!
- Teams will design their main page with dynamic features, animations, and interactive elements.
- Top-scoring teams will be judged on creativity, functionality, and user experience will move to the grand finale.
- A walk-through of tools, layout tips, and generative websites will be provided for support and if needed you can code and prove your skills.
- Bring your vision to life and let your ideas shine like never before. Let creativity begin!
